

Where In The World Is *Italy*?

This week's cover story is about Venice, a city in Italy. Find Italy on the maps below. Then answer the following questions.

ITALY AND ITS NEIGHBORS

1. On which continent is Italy located?

2. What two countries are directly north of Italy? _____

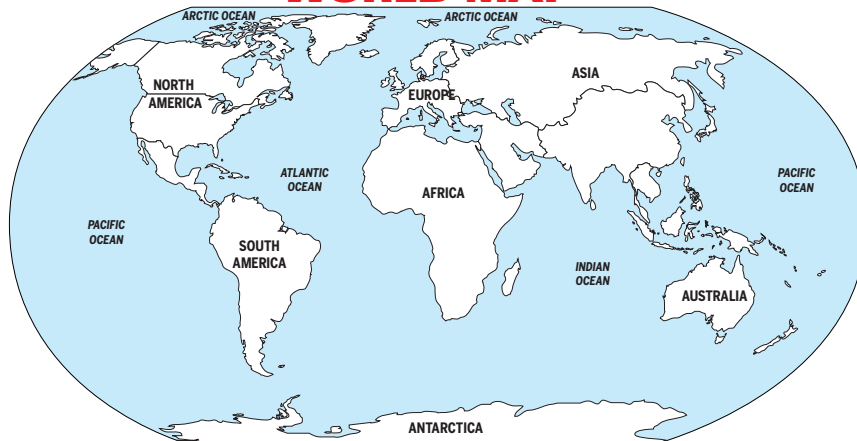

What continent is south of Italy?

3. What direction is Italy from the United States?

4. Put a star where the city of Venice is located. Hint: use the map in TFK® to help you find Venice. What sea does it border? _____

5. If you were to take the shortest route to Italy from where you live, what ocean would you have to cross? _____

WORLD MAP

BONUS:

On the back of this page write five questions that you would like to ask a student who lives in Italy.
