

Name _____ Date _____

Animal Journal

Pick an animal that was affected by the wildfires and write a journal entry from that animal's point of view. Include the answers to the following questions in your entry:

1. Which animal did you choose? _____

Why did you choose this animal? _____

2. Imagine that you are this animal for a day. Where would you live in the forest? _____

How would you get food? _____

What would you do for fun? _____

3. What would you like the most about living outside? _____

What would you like the least? _____

4. Now imagine that your home, the forest, was destroyed by the wildfires. How would you get food? _____

Where would you live? _____

How would you feel? _____
