# Action Steps to Eliminate Bullying

You, the students, play a very important role in ensuring that bullies don't exist.  
Use your answers to develop action steps for eliminating bullying.

**1.** What is your definition of **bullying**?

---

---

**2.** Why is it important for you and other kids to stop bullies?

---

---

**3.** Why is it important for your teacher to stop bullies?

---

---

**4.** Write two, specific classroom rules that you think will help decrease bullying.

---

---

How can you and other students in your class enforce these rules?

---

---

How can your teacher enforce these rules?

---

---

**5.** Brainstorm and write down action steps, things you can do right now, to eliminate bullying.
