# Affirmation Teller

**Directions** Read "Positively Kind" (December 13, 2024). Then make your own fortune teller to spread positive affirmations. Follow the directions below.

1. Write a positive affirmation on each of the blank triangles. Color each smiley face a different color.
2. Cut out the square and flip it over to the blank side.
3. Fold each corner into the center. You should see all the colored smiley faces and the numbers.
4. Flip the folded paper over so you see the affirmations.
5. Fold each corner into the center. You should see all the numbers.
6. Fold the square in half and crease it. Open the fold and fold the paper in half the other way. Crease it again.
7. Slip your thumbs and pointer fingers under the tabs with the colored smileys. Push your fingers together to meet in the middle. You should be able to pinch and pull to open and close the fortune teller.

**To play:** Have a friend choose a color. Spell out the color, opening the fortune teller in a different direction for each letter. Have a friend choose one of the visible numbers. Count out that number as you open the fortune teller in alternate directions. Finally, have them pick another visible number, Open that flap to reveal their affirmation!
