

BE A SERVICE STAR

Next month, we'll launch an online community for kids who are making the world a brighter place. TFK Service Stars know that small actions can make a big impact.

MISSION OF THE MONTH: SPREAD KINDNESS

Kindness counts! We'll feature kids who are spreading kindness at home, at school, and in their community. Could you be one of them? First, think of a plan to make the world a bit kinder, whether you're organizing a big event or simply telling a friend that you care about them. Then put your plan into action. Watch for results. Was your plan a success? We can't wait to find out!

NEED INSPIRATION?

- Create a “kind space” at school where anyone can feel safe and find company. What will it look like?
- Reach out to a classmate who seems down or in need of a new friend. What will you say?
- Be an upstander by speaking out when you see someone being unkind. How will you be brave?
- Write a note or make a gift to thank a person you appreciate. How will you express yourself?
- Research local groups that spread kindness, and ask how you can help. What causes do you care about?
- Offer to do a chore, such as dog-walking or leaf-raking, for an elderly neighbor. What skills can you share?

Need help getting started? Talk to an adult or pair up with a friend to find an idea that feels right for you.

STARS SHINE BRIGHTER TOGETHER

One kid can make a difference. But when kids work together, the impact can be even greater. This month, create a kindness club. Gather friends and classmates. Name your club. Define its mission. What will you do first? What are your long-term goals?
