

Lexile Ranges	
Level	Lexile Range
TIME Edge (6-8)	770-1080L (main level: 900-1080L)
Edition 5-6	590-1080L (main level: 770-980L)
Edition 3-4	450-980L (main level: 590-820L)
Edition 2	290L-680L (main level: 350-570L)
Edition K-1	*290-430L (*not formally lexiled)

Based on comparing [other childrens' non-fiction sites](#) and [Lexile projections](#) by grade level.

Note: These are guidelines-- background knowledge and subject maturity should also be considered when determining grade levels (i.e. a complex topic may need to be written in at a lower lexile to aid in comprehension of the topic) The metrics above only analyze syntactical structure of the article, not what is being written about.
